## 11th International Symposium of Facial Plastic Surgery

Join us for this memorable educational event  
as we celebrate the Academy's 50th Anniversary

Jonathan M.  
Sykes, MD  
Symposium Chair

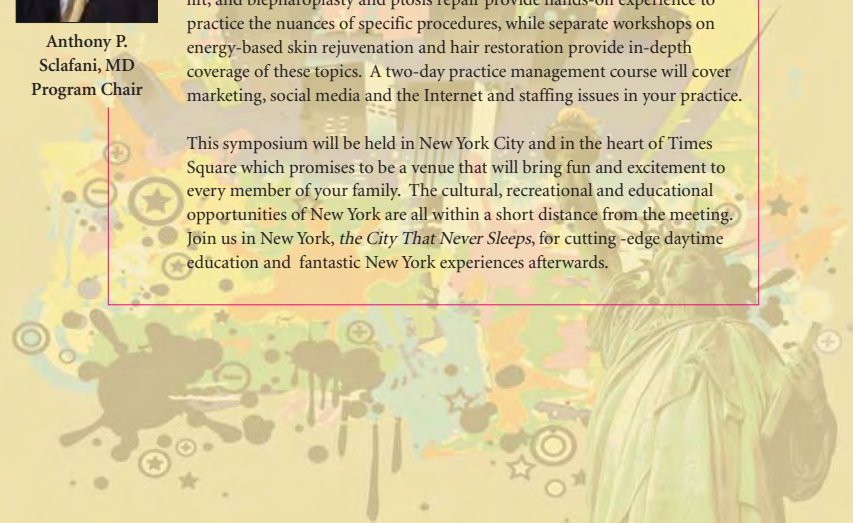

Greetings to all and thank you for your interest in our program. Every four years, the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) and the International Federation of Facial Plastic Surgery Societies (IFFPSS) host an international symposium that brings together facial plastic surgeons from all over the world and in the specialties of facial plastic surgery, oculoplastic surgery, dermatologic surgery, plastic and cosmetic surgery. The symposium features the latest trends and technologies in facial plastic surgery by offering lectures, panels, workshops and instruction courses led by experts in the field and an exhibition of over 100 companies displaying and introducing their latest products and services.

Anthony P.  
Sclafani, MD  
Program Chair

What makes this meeting special is the commemoration and celebration of the Academy's 50th Anniversary. Building on the traditions of the AAFPRS, this meeting explores the latest in techniques and technologies in facial plastic and reconstructive surgery. Internationally renowned facial plastic surgeons will be joined by colleagues in plastic surgery, dermatology and oculoplastic surgery in discussing the nuances of facial plastic surgery. Cadaver labs focusing on rhinoplasty, facelift, endoscopic brow and midface lift, and blepharoplasty and ptosis repair provide hands-on experience to practice the nuances of specific procedures, while separate workshops on energy-based skin rejuvenation and hair restoration provide in-depth coverage of these topics. A two-day practice management course will cover marketing, social media and the Internet and staffing issues in your practice.

This symposium will be held in New York City and in the heart of Times Square which promises to be a venue that will bring fun and excitement to every member of your family. The cultural, recreational and educational opportunities of New York are all within a short distance from the meeting. Join us in New York, *the City That Never Sleeps*, for cutting-edge daytime education and fantastic New York experiences afterwards.

## TARGET AUDIENCE

The meeting is offered for continuing medical education of medical students, residents, fellows, and practicing physicians (MDs and DOs) in the field of facial plastic and reconstructive surgery. The program is for physicians with all levels of experience and covers aesthetic, reconstructive, and congenital issues relevant to this specialty.

## ACCREDITATION/CREDIT DESIGNATION

The AAFPRS Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAFPRS Foundation designates this live activity for up to 45 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

New York is the most populous city in the United States and the center of the New York Metropolitan Area, one of the most populous urban agglomerations in the world. The city is referred to as New York City or the City of New York to distinguish it from the State of New York, of which it is a part. A global power city, New York exerts a significant impact upon commerce, finance, media, art, fashion, research, technology, education, and entertainment. The home of the United Nations Headquarters, New York is an important center for international diplomacy and has been described as the cultural capital of the world. New York City, arguably the world's most vibrant and sprawling metropolis, occupies five boroughs, each with its own distinct identity.

## 50TH ANNIVERSARY CELEBRATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) will celebrate its 50th Anniversary at this meeting. Big surprises are in store for all meeting attendees, members and non-members alike. Come celebrate with us...enjoy a festive event, have a peek at the brand new Archival Center, participate in trivia games, walk away with give-aways...a walk down memory lane has never been this much fun. See what the future has in store for all participants.

DAY 1: Tuesday, May 27, 2014

## HOTEL AND MEETING SITE

The symposium will be held at the New York Marriott Marquis (1535 Broadway, New York, NY 10036), located in the heart of Times Square. Special group rates have been reserved for attendees starting at \$269 a night.

A dedicated booking Web site has been created for you to be able to make, modify and cancel your hotel reservations on-line, as well as take advantage of any room upgrades, amenities or other services offered by the hotel. Visit the link: [https://resweb.passkey.com/Resweb.do?mode=welcome\\_ei\\_new&eventID=10721508](https://resweb.passkey.com/Resweb.do?mode=welcome_ei_new&eventID=10721508) or call (877) 303-0104; (212) 398-1900.

See the bright lights of Times Square from this first-class accommodation, the New York Marriott Marquis. Ideal for business, family, and leisure travelers, the Marquis boasts spacious, newly renovated guestrooms, most with fantastic city views. All of the Big Apple's attractions are easily accessible from this hotel's central location: the Broadway Theater District, Madison Avenue shopping, Radio City Music Hall, Rockefeller Center and NBC Studio tours are just a short walk or cab ride away. And after a long day of travel, you'll be able to wind down in the new Marriott Revive bed dressed with down comforters and 300-thread-count linen.

For a truly unique experience, head up to the View Restaurant and Lounge, New York City's only revolving roof-top restaurant, featuring New York State cuisine and wines. To satisfy all your cravings, the Marquis has a number of other dining establishments on site, including the Encore, the Atrium Lounge, Katen Sushi Bar, Starbucks Coffee, and the Broadway Lounge. You'll be able to keep up your daily fitness routine at the Fit for You Program, a state-of-the-art 4,000 square foot fitness center that offer breathtaking views of Midtown. All of these amenities and many more make the New York Marriott Marquis your home away from home for the length of your trip.

ABOUT THE AAFPRS AND ITS FOUNDATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) was founded in 1964 and represents more than 2,500 facial plastic and reconstructive surgeons throughout the world.

The majority of AAFPRS members and fellows are certified by the American Board of Otolaryngology-Head and Neck Surgery, which includes examination in facial plastic and reconstructive surgery procedures.

In 1974, the Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS Foundation) was created to address the medical and scientific issues and challenges which confront facial plastic surgeons.

The AAFPRS Foundation established a proactive research program and educational resources for leaders in facial plastic surgery. Through courses, workshops, and other scientific presentations, as well as a highly respected fellowship training program, the AAFPRS Foundation has consistently provided quality educational programs for the dissemination of knowledge and information among facial plastic surgeons.

In the early 1990s, FACE TO FACE humanitarian programs were established so that AAFPRS members could use their skills and share their talent in helping the less fortunate individuals here and abroad.

- FACE TO FACE: International brings AAFPRS members to third world countries where they treat children with facial birth defects and anomalies.
• FACE TO FACE: The National Domestic Violence Project allows AAFPRS members to perform surgeries on survivors of domestic abuse here in the United States, who have received injuries to their faces.
• The newest member to FACE TO FACE is FACES OF HONOR. This program offers free surgical care for soldiers who have been injured in the line of duty in Iraq and/or Afghanistan.

ABOUT THE IFFPSS

The International Federation of Facial Plastic Surgery Societies (IFFPSS) is a group of societies of facial plastic surgeons from various countries around the world. This Federation was formed in 1997 after extensive discussions initiated by the AAFPRS.

- American Academy of Facial Plastic and Reconstructive Surgery
• ASEAN Academy of Facial Plastic and Reconstructive Surgery
• Australasian Academy of Facial Plastic Surgery
• Brazilian Academy of Facial Plastic Surgery
• Canadian Academy of Facial Plastic and Reconstructive Surgery
• Colombian Society of Facial Plastic Surgery and Rhinology
• Ecuadorian Society of Rhinology and Facial Surgery
• European Academy of Facial Plastic Surgery
• Mexican Society of Rhinology and Facial Surgery
• Pan Asia Academy of Facial Plastic and Reconstructive Surgery
• Taiwan Academy of Facial Plastic and Reconstructive Surgery
• Venezuelan Society of Rhinology and Facial Plastic Surgery

The Federation continues to serve its goal of improving communication and cooperation among all of our societies for many educational programs and other programs that benefit patients. The most important aspect of the history and future of the Federation, however, are the many relationships developed and our ability to improve the quality of facial plastic surgery around the globe.
